

CRSTA HEALTH CHECK +

A snapshot of your store's performance
—quick, clear, and actionable.

CRSTBL

WHY RUN A HEALTH CHECK?

The CRSTA Health Check gives you a quick, easy look at how your store is performing—every month. As long as you keep uploading your sales data, we'll keep sending insights that help you stock smarter and sell more. No guesswork. No extra tools. Just real data working for you.

KEY SERVICES:

- **Top 100 Best-Selling SKUs by Month**
See what's flying off the shelves so you can restock with confidence.
- **Slowing Products**
Spot which SKUs are losing steam before they eat up shelf space.
- **Most Profitable Items by Gross Margin**
Know what's actually driving your bottom line—not just what's popular.
- **Up to 500 SKUs Analyzed**
Enough to cover your full product range without adding work.
- **Simple Monthly Summary**
Easy-to-read results with clear takeaways.
